Counselling, Education, Training and Research

A SERIES OF CLINICAL PRESENTATIONS

Based on Bowen Family Systems Theory and Therapy

A letter of attendance for CE purposes will be available

**All presentations are held at Vancouver Public Library-Square,
lower level, Alma or Peter Room, <https://www.vpl.ca/location/central-library>**

Monday, January 21, 2019, 5pm-8pm “Thinking Systems”

Randall Frost M. Div. RCC, is the director of training and research at Living Systems and a faculty member of the Bowen Center for the Study of the Family in Washington DC. He will address clinical implications of thinking systems about the family based on Bowen family systems theory. Bonnie Hall MA RCC, will demonstrate the application of BFST in a clinical case.

Saturday, March 2, 2019 9am-12:00 pm “The Family Diagram”

Lois Walker BN, M. Div. RCC. Lois has been a student of Bowen family systems theory from 1990 until the present. This presentation on her family will highlight each of the concepts and reflect how family emotional process contributed to mate selection. The effort toward differentiation of self will be examined, explored and discussed.

Thursday, May 16, 5pm-8pm, “Defining Self in Clinical Work”

Katherine White MSc RMFT RCC, will speak about ways that theory influences how you define yourself in and out of session. Catriona Remocker RCC, will discuss how defining a self in a case study influences clinical outcomes and shapes the course of therapy.

REGISTRATION: The cost for one presentation is \$40, or \$90 for all three if booked on-line before January 15th. Please note there is limited seating and registration in person at the event is not guaranteed. For more information you can e-mail info@livingsystems.ca.
